

RIPON CITY ALLOTMENT SOCIETY

BULBS FOR AUTUMN PLANTING/SPRING FLOWERING

This year we will again be making available to our members Garlic and Japanese onion sets for planting in September / October. Also on offer are a selection of bulbs for planting this Autumn to flower in the spring.

As you will see from the listings below included in the offer is a choice of Narcissi [Daffodils], Tulips, Hyacinths and Giant Alliums which can be naturalized in grass or flower beds at home, planted in pots or planted in rows on your plot for picking and all at extremely competitive prices. The hyacinths have been “prepared” so can planted in bowls or pots and induced to flower for Christmas/early 2026. But did you know once prepared hyacinths have flowered if the bulbs are planted in a corner of your patch each March for years to come they will produce deliciously scented flowers for you to pick and take home .

The bulbs will be available to collect from the shop in September but to secure what you want your order **MUST** be placed before the **end of July** so there is not a lot of time to do your homework and place your order. Payment is not required until the bulbs arrive.

CAMASSIAS have very much come into vogue lately especially for naturalising in grassy areas but they do also work very well as part of cottage garden setting. If anyone is interested in acquiring some we can get prices. Just let us know how many you want and whether its Blue or White [likely to be Leichtlinii Blue / Leichtlinii Alba] you would prefer and we will get back to you.

Please note VAT has been included in the prices above where applicable.

Bring your order to the shop on Saturday mornings or send to
jenandrog.satariano@btinternet.com.

Payment is not required until collection in September.
